

## Seek, Answer, Relate, Apply (SARA) Video Presentation Grading Rubric

The following 5 aspects of your video presentation will be scored using the rubric:

poorly (1) slightly (2) well (3) very well (4)

1. answered their SARA question and reviewed the evidence
2. related what they learned to specific “things” we learned about in the class
3. described their own ideas re: one or more ways the new information can be used to improve life
4. pptx aesthetics (font size/clarity, graphics/photos, bullet points & animations, colors)
5. presenter was engaging, lively, spoke clearly & audibly at a good pace, did not sound like they were reading

The following 5 aspects have their own rubric, shown below.

1. Number of sources included: one (1) two (2) three (3) four or more (5)
2. Number of peer-reviewed sources: one (1) two (2) three or more (3)
3. All information was cited where appropriate:  
no (0) slightly true (1) mostly true (2) completely true (3)
4. References were APA-formatted  
no (0) slightly true (1) mostly true (2) completely true (3)
5. Submitted to Canvas a pdf or docx of all the references: (1)
